## Full-time position: Associate

One Architecture and Urbanism (ONE)

New York, NY

We are seeking a full-time Associate to assist in the management and development of ONE's flagship climate resilience projects. The ideal candidate is an independent-minded, experienced professional who is committed to the design and implementation of urban resilience infrastructure. This individual will be instrumental in assisting in the development, leadership, and public coordination for some of the largest, most significant coastal resilience projects in the U.S.

ONE is an award-winning design and planning firm with offices in Amsterdam and New York. Established in 1995, the firm is known for its unique approach in which financial, technical, and organizational issues are addressed and resolved through design. Most recently, the firm has been expanding its portfolio of large-scale resilience and climate adaptation projects in the U.S., Europe, and Southeast Asia. We are a small, dynamic, and highly collaborative office focused on long-term processes, from strategic planning to on-the-ground implementation of complex infrastructural and urban systems. This role offers the unique opportunity to work across these scales.

We seek a person who has:

- A professional degree in architecture or landscape architecture;
- 6 – 10 years of professional experience in architecture, landscape architecture, urban design, and / or infrastructural design;
- Experience working on large-scale urban projects;
- Experience working in resilience, particularly coastal protection and drainage infrastructure;
- Experience working with a range of consultants, including associate landscape architects, and civil, electrical, traffic, and structural engineers;
- Experience working in the public sector in New York;
- Demonstrated ability to communicate complex issues graphically;
- Demonstrated project and team management skills;
- Proficiency in AutoCAD, Rhino, Adobe CS, and Microsoft Office;
- Valued experience in scripting and/or data management;
- Excellent interpersonal and written communication skills.

Please send applications including a cover letter, one-page CV, and up to 10 pages of portfolio work to [office@onearchitecture.nl](mailto:office@onearchitecture.nl).

*All applications will receive consideration for employment without regard to race, religion, sexual orientation, gender, or national origin.*

*ONE is committed to taking affirmative action to employ and advance in employment qualified individuals from all backgrounds.*
